

Site Moving / Shutting Down

It was a good run. We have had some great battles, loads of fun, met some great people from all around the World. We have shared some great times and sad times. Some of us have even met in real life! I (SgtMudd (US)) have had the pleasure of meeting Robbie (US), GymRat (US) and Rhumbus (NZ)! I have maintained this site for over 13 years now and have kept it online these past few so members could stop in and say 'Hello', reconnect or reminisce about old times by reading some of the old forum posts and checking out some screen shots from our past battles and fun times. This site will remain online for a little while longer at a new location: <http://as.mach-hosting.com> but the domain will soon be redirected to our Facebook page at <https://www.facebook.com/assaultsnipersquad>
